- Name and logo on sign at hole tee box
- Recognition in tournament program

Rescheduled

October 24th, 2020

**Sixth Annual
Jordan Smelski
Foundation
Golf Tournament**

Hosted by the Jordan Smelski
Foundation for Amoeba Awareness

**Golf tournament hosted at the
Rosen Shingle Creek**

About The Event

The Sixth Annual Jordan Smelski Foundation Golf Tournament is held in memory of Jordan Smelski. Jordan passed away on July 2, 2014 to primary amoebic meningoencephalitis (PAM). He was 11 years old. Jordan contracted the amoeba *Naegleria fowleri* from swimming in hot springs in Costa Rica while on vacation. PAM is 99% fatal, yet 100% preventable.

*All proceeds go toward amoeba awareness, training, and research. The Jordan Smelski Foundation partnered with AdventHealth for Children to present the 4th Amoeba Summit, and once again funding research with Virginia Commonwealth University in 3 specific areas related to *Naegleria fowleri* and funded research with the CDC for an early detection test for possible PAM cases.
